THIS PERFORMANCE IS BASED ON THE MYTH OF THE PHOENIX. THROUGH THIS JOURNEY, WE EXPLORE THE STAGES OF BIRTH, FLOW, STRUGGLE, DESTRUCTION AND REBIRTH AS A CIRCULAR PATTERN.

WE WORKED WITH AN AMALGAM OF ELEMENTS IN ORDER TO CREATE A HYBRID MOVEMENT LANGUAGE. WE WERE INSPIRED FROM EVERYDAY GESTURES, PHOTOGRAPHS, TRADITIONAL AND SOCIAL DANCES; COMBINING THEM WITH CONTEMPORARY MOVEMENT EXPRESSIONS.

THIS PROJECT WAS CREATED THROUGH VARIOUS STAGES. IN THE BEGINNING, WE EXPLORED GROUP DYNAMICS AND PHYSICAL POSSIBILITIES AND CONNECTIONS BETWEEN THE PERFORMERS. THIS PERFORMANCE IS A SHARING OF THE SECOND STAGE, IN WHICH WE WORKED ON SPECIFIC CHOREOGRAPHIC STRUCTURES AND SCORES IN ORDER TO CREATE AN OUTLINE OF THE PIECE. THE COMPLETE PIECE WILL BE PERFORMED DURING WINTER 2021, AFTER FURTHER RESEARCH AND EXPLORATION.
